MISSION STATEMENT

To support military members, veterans, and their families staying at Fisher Houses and those who are eligible to utilize Fisher Houses but staying at other appropriate points of care venues while they receive medical treatment, care or support.

VISION

Be the national leader of military healthcare hospitality management with strong community support to sustain our mission.

STATISTICS

- Average stay: 12 days
- Longest stay: 425 days
- Over 459 families in 2019
- Over 6,627 room nights in 2019
- Close to 7.5 million lodging dollars saved
- 50 States
- 3 territories
- 14 countries
- Over 1,131 volunteers last year
- 3,182 hours contributed last year
- CFC: #87784, SECC: #413062, SAMA: #8035

(as of July 2020)
From Our

Executive Director/CEO

The Fisher House, Inc. Board of Directors and staff worked hard to make the Fisher Houses a perfect place to stay as a home-away-from-home for military families. The new COVID-19 virus epidemic has set in some new changes for guest's activities at the Fisher Houses. However, the staff has met and exceeded the challenges with cleanliness and social distance while keeping Fisher House guest’s best interest in mind. This would not have been possible without the combined efforts of volunteers, guests and staff focusing on the single mission of taking care of families.

Fisher House, Inc. has been blessed with active donors over the last year. The funds have been put to great use for a modern dishwasher in house III, landscaping around the facility, fresh linen, towels, bedspreads and a refurbished room in House II. My sincere thanks to all those who continue to contribute to the Fisher House mission. Our mission would not be possible if not for the donors and volunteer efforts.

Please take some time to read the article about LCDR Jack Sullivan room dedication article on page six. Jack retired from the Navy as a pilot and stayed at the Fisher House over seventy times. He contributed so much to enrich the lives of his community, military, family and friends.

I am always amazed at what our donors and volunteers do for the Fisher Houses. Without our donors, the day-to-day operations to provide services to the Fisher House would not be possible. Did you know that members of our Board of Directors are also volunteers donating all their time and services to Fisher House, Inc. In fact, we just welcomed Col Gary McAlum (USAF, Ret) and Col Bryan Kuhlmann (USAF, Ret) as new Board Of Directors Members. In addition, Brigadier General Chuck Potter (USAF, Ret) was nominated as the Board of Director President effective 1 July, 2020. The General will bring a long career of excellence and leadership to the table. Major General Patrick Sculley (USA, Ret) will step down after serving an impressive three years as Board President. General Sculley did an amazing job improving the houses with two incredible renovations valued at 650K. General Sculley’s leadership was critical during the renovations as proven by the state of the houses. A big “THANK YOU” to all our donors and volunteers.

From the Cover Page

Photo of Lackland Fisher House guest Lily with our volunteer therapy dog Miss Tilley. Lily stayed at the Fisher House in January of 2020 with her mother and younger brother.
COVID-19 PANDEMIC

In the midst of the Covid-19 Pandemic, The Fisher House, Inc. and its staff have diligently worked to stay true to Zachary and Elizabeth Fisher’s vision and help as many military families as possible. This time would be different. Instead of opening the doors and allowing all the volunteers in order to help, we had to say, “sorry but the best way to help is to stay home and stay safe.” For everyone’s safety, the Lackland Fisher House staff has only allowed access to each house to absolutely necessary personnel to help maintain social distancing.

Staff also implemented extra daily sanitation of common areas. Even the Fisher House staff reduced as much in person interaction as possible by staggering office time and teleworking whenever feasible. While keeping our distance the staff could maintain daily communication with guests to ensure all their needs are met.

While the office was temporary closed the hearts of our great volunteers have not. We have received countless phone calls from volunteers asking how they can help or what they can do to support the mission or just to see how everyone is doing. Ron and Sharon Young were able to donate face masks for our guests and staff, which was just amazing. Even when faced with these new difficulties the Fisher House guests have still been provided meals, had extra non perishables, paper goods and cleaning supplies available to them all without having to leave the safety of their temporary home.

Right now, we are taking donations and nonperishable items, and will gladly open the doors to volunteers once it is safe to do so. We will continue to do what we always do here at the Lackland Fisher House and help as many military families as possible all while keeping everyone’s safe. We look forward to seeing everyone’s smiling faces as soon as this is over, until then stay safe.

GIFTS FOR THE GUESTS

The Fisher house received an amazing donation from the Suave Company of so many goodies. We were able to make gift baskets to help welcome in our guests that include shampoo, conditioner, lotion and other wonderful products. I know this will be a welcomed gift for our guests. And one less thing they need to think about while they are here healing.
IN THE HOUSE

Meet Miss Tilley

We had the pleasure of meeting Miss Tilley, a certified therapy dog registered with Pets Are Wonderful Support (PAWS) for Service. She completed an eight-week training program to become a certified therapy dog. Miss Tilley visited the Lackland Fisher House recently with her owner, Ms. Carol Ardelt.

Miss Tilley is a rescue dog pulled from a kill shelter in the Rio Grande Valley. She was adopted from the Homeward-Bound Dog rescue six years ago. Where she came from, she had been kept in a cage all day and had a rough start in life. She had worn down all her front teeth trying to bite her way out of her cage and was heartworm positive. Now all that is a distant memory. She is healthy and happy.

Miss Tilley truly enjoys getting out and interacting with a variety of people, and has a very calm, laid-back disposition. She can provide comfort and a little joy in a stressful situation. One of the reasons that Ms. Ardelt does this work is to advocate for rescue animals and pet adoption and show that not all dogs in shelters are “broken” and given a chance can be a great addition to your life.

While she was here at the Fisher House, Miss Tilley visited with a few of our guests. She is the sweetest, kindest dog. Our guests and staff loved her from the minute we met her. Currently, she is part of the Pups and Planes Ambassador Program at San Antonio International Airport and also works at University Hospital and at an Alzheimer’s Unit. After every work visit, Miss Tilley gets rewarded with her favorite treat, a McDonald’s hamburger!

Miss Tilley has been wonderful and such a joy to have around. We look forward to welcoming her again soon for a visit with our guests at the Lackland Fisher House!

AROUND THE HOUSE

We recently refurbished one of our guest rooms in Fisher House II. The carpet was replaced, and the room was completely repainted. Some new furniture was added as well. Special thanks to our Facilities Manager Luis, who not only keeps our grounds in amazing shape, but is also a very skilled painter.

However, taking out the old carpet was no easy task, but with the help of four volunteer airmen, from the 353rd Special Warfare Training Squadron the job got done in less than one day. Moving furniture, pulling out the carpet, no task was too hard for these young airmen, and we could not have done this project without them. We are excited with the result and look forward to welcoming our guests to our newly refurbished room.
The Lackland Fisher House has so many amazing guests who come through our doors but there is something special about those bright shining faces of the children who just makes everyone's day. Whether our tiny guests are here supporting a parent, a sibling or receiving treatment themselves; it never ceases to amaze the strength and resilience these kiddos have. We even have some tiny volunteers who come to help cheer up our guests and boy do they love it. It definitely brings a bit of sunshine through our doors when we have children staying at our Fisher House.

**KIDS IN THE HOUSE**

Samira
*She was tickled pink when she received the teddy bear. She hugged him and gave him a kiss.*

Callie
*She loves to volunteer at the Fisher House. She was so excited to help with our holiday raffle this year!!*

Alaina
*She was so happy to sit next to the big tan and brown bear, she could not stop laughing.*

Jameson
*He was so excited to walk Miss Tilley, the therapy dog, around the house. It reminded him of his dog at home, that he missed allot.*
“Captain Jack” Sullivan was a man filled with energy, generous in spirit, always welcoming adventure and offering his best self, a loving husband, good father and great friend. The Lackland Fisher House location was “home” to Jack and various family members 70 times over the last 25 years during his medical check-ups, surgeries and care.

Jack was born in Binghamton, NY on the 30th of August 1923 and passed peacefully at the age of ninety-six years old on the 15th of December. He has received his final flight plan, has earned his wings and can fly free as the family’s Guardian Angel forever. The Lackland Fisher House is dedicating room 328 in his honor.

When World War II broke out in 1941, Jack was employed as an Apprentice Tool & Dye Maker at Universal Instruments & Die Co. At age 18, Jack tried to enlist in the Marines under the aviation program; however, he could not fulfill his father’s dream of having a son to follow in his own World War I Marine tradition; the enrollment was limited. He applied to the Navy Cadet Aviation Program and on December 5, 1942, was admitted to the US Navy as a Cadet. On October 25, 1944, he was commissioned as a USN Aviator and Officer.

Jack began as a cadet’s first flight Instructor and was then delegated to IBTU Instructor status. The Navy’s inventory of single pilot fighter planes included the F4U Corsair, F6F Hellcat, NS-1 & 2 Stearman (Trainers), SN-4 Vultee Vibrator, SNJ Texas Trainer and the Grumman F4F-3, among others. The F4U Corsair and F6F Hellcat would remain Jack’s all-time favorite planes to fly. He appeared in a Labor Day article of The Binghamton Times in 1945 with a F4U Corsair whom his commanding officer let him “borrow” for the weekend. The Navy was always eager to show off their pilots.

In 1955, he joined the Mach Busters Club in a USN FJ3 Fury, breaking the Mach 1 sound barrier. After being helicopter certified in 1956, he promptly announced that “they are designed to crash” and returned to his beloved Ferry Command & fighter pilot squadron duties. The 4th tour of duty in six years was to NAS North Island, Coronado, San Diego, CA. His last Tour of Duty in 1963, Squadron VR-1 at NAS PAX RIVER, MD would be his longest. Along with test pilot rank, he was assigned VIP duties and served Chief Pilot of NAVY ONE, the Navy’s VIP airplane. This assignment allowed him to travel across the world with the US Navy’s Commander in Chief, Allied Supreme Commander of the Navy, NATO, SACLANT and the staff associated with the US Secretary of the Navy. He served both Four-Star Admiral(s) Thomas Moorer and E.P. Holmes with distinction.
Vanilla Pound Cake

Serves 12 (serving size: 1 slice)
Active 15 minutes
Total cooking time: 1 hour, 15 minutes

Ingredients:
- Baking spray with flour
- 1 Cup salted butter, softened
- 1 3/4 Cups granulated sugar
- 4 Large eggs
- 2 Tsp. vanilla extract
- 2 1/4 Cups all-purpose flour
- 3/4 Tsp. baking powder
- 1/4 Tsp. table salt
- 1/2 Cup half-and-half
- Powered sugar, for dusting

Directions:

Step 1. Preheat to 325 degrees Fahrenheit. Generously spray a 9-cup baking pan with baking spray and use a pastry brush to evenly coat the pan. Beat butter at medium speed with an electric mixer until creamy, about 1 minute. Gradually add sugar, beating at medium speed until light and fluffy, 2 to 3 minutes. Add eggs 1 at a time, beating just until blended after each addition. Beat in vanilla.

Step 2. Sift together flour, baking powder, and salt. Add to butter mixture alternately with half-and-half, beginning and ending with flour mixture. Beat at low speed just until blended after each addition. Pour into prepared pan filling no more than ¾ full to avoid overflow.

Step 3. Bake in a preheated oven until a long wooden pick inserted in the center of cake comes out clean, 50 to 60 minutes. Cool in pan on a wire rack for 5 minutes. Remove from pan to wire rack; cool completely, about 1 hour. Transfer to a serving plate and dust with powdered sugar.

Staff from the Fisher House made this cake for the guests to enjoy. The Parson Family said, “Thank you so much the cake was delicious, and it hit the spot!”
**WISH LIST 2020**

**Paper Products**
- Toilet Paper
- Paper Towels
- Paper Plates and Bowls (all sizes)
- Paper or Plastic Cups (Cold 12-16 oz)
  No Styrofoam Products Please

**Kitchen Supplies**
- Baking Supplies (mixes)
- Anti-bacterial Liquid Hand Soap
- Glad/Zip Lock Disposable Storage Containers (large and medium)
- 13 Gallon Kitchen Trash Bags

**Cleaning Products**
- Furniture Wax for dusting
- Oust/Glade Air Freshener
- Bleach
- Laundry Detergent (Liquids only)
- Laundry Stain Remover
- Dishwasher Detergent (tablets only)
- Bathroom Cleaner: Lysol Disinfectant 4 in 1
- 409 Cleaner
- Clorox Disinfecting 4 in 1 Spray (prefer Fresh Scent)
- Comet or Ajax
- Toilet bowl cleaner
- Lysol Disinfecting Spray
- Lysol/Clorox Disinfecting Wipes
- Ammonia
- Vinegar

**Residential Household Need**
- Keurig Coffee, Tea and Hot Chocolate K-cups
- Irons
- Toaster Ovens

**Food Products**
- Sugar
- Canned Meats
- Canned Vegetables
- Canned Fruit
- Canned Soups
- Canned or jar pasta sauce
- Seasonings
- Flour
- Rice Dishes
- Pasta Dishes
- Individually wrapped snacks

**Hygiene Products**
- Hand Soap (liquid, 7.5 oz pump or gallon refill)
- Batteries for Dispensers “C”

**Resident Needs**
- Passes to local attractions
- Gift Cards (BX, Walmart, Taco Cabana, Commissary, etc)
- Postage Stamps

**Miscellaneous**
- Copier/Printer Paper
- Large emergency size Flashlights
- Batteries “AA”

---

**FISHER HOUSE INC. LAPEL PIN**

Here are our recent volunteers who received the Fisher House Inc. Lapel Pin: Henry Smalls, Carolyn Smalls, Shirley Jones, Brenda Tucker, Harriet Freeman, Charmaine Robinson, Bert Skinner, John Christian, Viola Christian, Robert Guthrie, Francis Guthrie, Elnora Dennie, Marie Skinner, Milton Dennie, Pearl Olison, Daniel Olison, Loverine Mitchell, Ruth Mitchell, Raymond Tate, Shirley Tate, Etta Tricksey, Bill Tricksey, Cecila Hagen, Thaddas Hagen, M.H. Coney, Linda Coney, Clyde Raymond, Curtis Dorsey, Max Bruysschaard, Teresa Denton-Price, Stephanie Jackson, Cherry Bruysschaard, John Spicer, Lourdes Nieves, Jessica Ruiz, Deya Loomis, Maria Martinez, Helen Barette, Christina Quinn, Mary Anne Payne, Fabienne Warren, Janice Whitehead, Kathy Mathews, Connie Burks, Jared Burks, Camille Burks, Camille Burks, James Burks, Charlotte Burks, Art Vazquez, Victoria Espinoza, Alex Espinoza, David Espinoza, Carol Ardelt, Catherine OReilly, Armando Santos.

We thank you all, for volunteering at the Fisher House. We could not do our mission without you!
The African-American Heritage Committee (AAHC) out of JBSA-Lackland gave back to the community by cooking a soul food meal for the residents of the Fisher House. Throughout the month of February, the committee has celebrated Black History Month by putting on several educational events. They wanted to close out the month with an event that involves giving back. The guests enjoyed the food, the conversation and the music that was played throughout the house. One guest stated, “This was the best home-cooked-meal they had all year. And thank you for coming tonight to prepare this most appreciated meal for us.”

The AAHC was so humbled from their responses; they plan to come back next year.

**VOLUNTEER WEEK**

Capt. Jason Simmons wanted to say thanks for the volunteering opportunity at the Fisher House. He was part of the planning committee for JBSA Biomedical Sciences Corp (BSC) Appreciation Week.

The BSC career field involves multiple professionals to include Pharmacists, Physical Therapists, Physiologists, Dieticians, Audiologists, Psychologists, Physician Assistants, Optometrists, Public Health officers, Entomologists, Lab officers, and Bio-environmental engineers. They selected the Fisher House as they felt it provided the perfect opportunity to give back to the community and a way to end appreciation week on a high note.
Brother and Sister John and Becky Mangan exemplify the definition of volunteering as they often freely offer to take part in an enterprise or undertake a task. They do this with all their hearts. John and Becky are here in San Antonio, Texas serving a mission for The Church of Jesus Christ of Latter-day Saints assigned to Lackland AFB. They came here from Evanston, Wyoming to help and support the trainees, the Tech Students, and all other military personnel living on base. They have been here since January 2019 and will return home in July of 2020. They started helping at the Fisher House with an open mind and a willingness to do whatever needed to be done. They continue to bring joy, laughter, and energy to all the projects they are tasked with and more. Brother and Sister Mangan are active in their church and truly have servant’s hearts.

John and Becky are true homemakers. During the past 11 months, they have helped restock the Pantry with linens, paper goods, and canned goods; and they have helped rearrange and reorganize our storage garage. They planned and prepared a Thanksgiving dinner and invited graduating Airmen and their families, and a Christmas dinner for all those staying at the Fisher House during that holiday. They also helped in the preparation of several barbecues held for occupants. The tasks listed do not include all the many tasks that have been performed. They have dedicated over 100 volunteer hours during the past year.

John and Becky Mangan stand out as volunteers, because their servant’s hearts give them a desire to continue to help in any way possible. They give back, because that is what makes them happy, and they are such a humble and honorable couple.

Added information: John Mangan retired as a Major in the USAF after serving for 24 years as a pilot. They have seven children, 15 grandchildren, and two great granddaughters.
Meet Sharon Partee

She is our volunteer, that donated a cake for our Volunteer Luncheon that fed over 200 volunteers during our event. We had the privilege of having her cakes as the centerpiece of our tables for the last four years. Many volunteers enjoyed the patriotic and creativity in each design.

We asked why she donated her time, her talent and her treasures. She said, “I started making cakes, real young as a teenager, at home for family. Later, I started to have my kids and started to work at a bakery and next at Sea World. My desire to help the Military came when my son served in the Army and then the National Guard. I started to bake his cakes for his promotions for the last 14 or so years.”

So when she was asked to bake a cake for the Fisher House, she did it gladly. She said, “I’m glad to help those who do for the families of our service members who have been involved in keeping our country safe. I thank all for the service you do for our Military staff.”
Meet Lidia Davidson

Mrs. Lidia Davidson is an active duty military spouse of 35 years and still serving. Linda's family arrived here at JBSA-Lackland on July 30, 2017. She immediately visited Freedom Chapel and became involved with PWOC. During her first year, she helped as a member and found out that Marie Scott, who ran the Baby Shower for Jesus for years was not able to continue conducting this outreach ministry due to her age.

For the past two years, Linda has been the President of the JBSA-Lackland PWOC ministry. She thought the Baby Shower for Jesus was a great outreach ministry tradition and should continue. This project is also important to us as it enables us to carry on support to our community, our own Airmen and their families, through this Non-profit Organization called Fisher House, Incorporated.

Linda was asked, what does tradition mean to her? She said, “For me, years ago, as our boys were growing up through their teens and pre-teens years, my husband and I started a tradition of celebrating a day in the year named after them—their own day in the year. It's the 21st of July, and it's called “Isaac and Jason's Day.” They said that when they have children, they are going to continue that tradition of having their kids have their own day to spend as they desire (within reason) with their family.

Linda was asked why volunteer at the Fisher House? She said, “It started with the intent to provide a hot meal for those active duty military members and their families waiting for medical treatment and possibly with personal limited resources. PWOC’s involvement with The Fisher House was not only limited to once a year event, but it also provided monthly spaghetti dinners, and last summer 2019 collected and donated disposable plates, cups, forks, spoons, napkins, paper towel, and foil paper.

The Fisher House experienced a need for volunteer help in their journey to help these military families or individuals. In response to that need, it was important to those PWOC ladies at the time and still today, to apply our 3rd Aim—that is, to develop in women the skills of social service as we reach out to the community.
TRADITION
What is Tradition, and how did it get started?

Our friend Merriam-Webster Dictionary defines tradition as an inherited, established, or customary pattern of thought, action, or behavior (such as a religious practice or a social custom). In other words, “a tradition is a belief or behavior passed down within a group or society with symbolic meaning or special significance with origin in the past.” In similar fashion, Baby Shower for Jesus, started approximately 20 years ago between the Protestant Women of the Chapel (PWOC) and the Fisher House, both at Joint Base San Antonio – Lackland (JBSA-LackLand).

Baby Shower for Jesus is once a year at the end of January. The following names are a few of their PWOC Leadership over the years to present that have helped made it a success: Marie Scott, Maria Boone, Dorothy Warras, Gloria Riggs, Karyn Tomlinson, Felicia Malloy, Mary Pouncy, Rose Dorroh, Pat Knowles, Cindy Zulli, Nancy William-Sykes, Cheryl Lypsey, Cassie Rael, Harmony Vuyancakl, Amy Kersey, Ava Ybarra, Sarah Long, Karen Wittman, Ashleigh Grooms, Merica Torres, Lauren Synder, and Lidia Davidson.

The PWOC volunteers have had the privilege of seeing firsthand how the families have been impacted by their provision of a nice hot meal, the decorations, and games played as attending a baby shower event with: gift, toys, clothes for newborns and toddlers, diapers, and wipes. This also gives the Freedom Chapel community an opportunity to provide and support the local Fisher House right here on JBSA-Lackland.

The PWOC President said, “It's been an honor to have volunteered alongside such an awesome group of ladies from Lackland Freedom Chapel PWOC and the Fisher House staff. May God continue to bless and flourish on Baby Shower for Jesus—an amazing ministry and annual tradition.”
The Fisher House Family would like to offer their sincerest thanks and appreciation to all of those who have generously and thoughtfully provided their time, talents and treasures to support the guest residents of the Lackland Fisher Houses. We appreciate your encouragement for our continued success in service of our military families with medical crises. The following “Friends of Fisher House” have provided financial support between November 1, 2019 and April 30, 2020.

CORE VALUES

INTEGRITY.
Be honest with ourselves and with whom we deal, building a foundation of trust and confidence through the organization and with our clients, stakeholders, and the community.

CARING.
Sensitive to the needs of our clients, always ready to go the extra mile to provide responsive, compassionate support.

SERVICE.
Give freely to others in need. Willing to donate time, energy and resources.

EXCELLENCE.
Continually strive to excel, to be the best in our field, and to maintain the highest standards of quality and service.

Lackland Fisher Houses, 1445 Foster Ave, Building 3865, Lackland AFB, Texas 78236, 210.671.6028, Fax 210.671.6020
“Captain Jack” Sullivan was a man filled with energy, generous in spirit, always welcoming adventure and offering his best self, a loving husband, good father and great friend. The Lackland Fisher House location was “home” to Jack and various family members 70 times over the last 25 years during his medical check-ups, surgeries and care.

Jack was born in Binghamton, NY on the 30th of August 1923 and passed peacefully at the age of ninety-six years old on the 15th of December. He has received his final flight plan, has earned his wings and can fly free as the family’s Guardian Angel forever. The Lackland Fisher House is dedicating room 328 in his honor.

When World War II broke out in 1941, Jack was employed as an Apprentice Tool & Dye Maker at Universal Instruments & Die Co. At age 18, Jack tried to enlist in the Marines under the aviation program; however, he could not fulfill his father’s dream of having a son to follow in his own World War I Marine tradition; the enrollment was limited. He applied to the Navy Cadet Aviation Program and on December 5, 1942, was admitted to the US Navy as a Cadet. On October 25, 1944, he was commissioned as a USN Aviator and Officer.

Jack began as a cadet’s first flight Instructor and was then delegated to IBTU Instructor status. The Navy’s inventory of single pilot fighter planes included the F4U Corsair, F6F Hellcat, NS-1& 2 Stearman (Trainers), SN-4 Vultee Vibrator, SNJ Texas Trainer and the Grumman F4F-3, among others. The F4U Corsair and F6F Hellcat would remain Jack’s all-time favorite planes to fly. He appeared in a Labor Day article of The Binghamton Times in 1945 with a F4U Corsair whom his commanding officer let him “borrow” for the weekend. The Navy was always eager to show off their pilots.

In 1955, he joined the Mach Busters Club in a USN FJ3 Fury, breaking the Mach 1 sound barrier. After being helicopter certified in 1956, he promptly announced that “they are designed to crash” and returned to his beloved Ferry Command & fighter pilot squadron duties. The 4th tour of duty in six years was to NAS North Island, Coronado, San Diego, CA. His last Tour of Duty in 1963, Squadron VR-1 at NAS PAX RIVER, MD would be his longest. Along with test pilot rank, he was assigned VIP duties and served Chief Pilot of NAVY ONE, the Navy’s VIP airplane. This assignment allowed him to travel across the world with the US Navy’s Commander in Chief, Allied Supreme Commander of the Navy, NATO, SACLANT and the staff associated with the US Secretary of the Navy. He served both Four-Star Admiral(s) Thomas Moorer and E.P. Holmes with distinction.
