A big thank you to the San Antonio Food Bank for donating teddy bears for our little guests to enjoy.
The Fisher House Inc. Board of Directors and staff strive to make the Lackland Fisher Houses a great experience for Military families. In order for that to happen, the staff is constantly upgrading and renovating the houses. The staff at Fisher House Inc, Civil Engineering and the Contracting Office are in the final stages of Fisher House Inc. bathroom renovation. Fisher House one and two are now complete with the bathroom renovation. The estimated completion date for house three is late May 2017. This project is a long process, but will improve the tile, paint, floors, plumbing, and sinks with American Disability Act (ADA) compliance.

The Fisher House Inc. Annual Golf Tournament is scheduled for the 18th of August at the Republic Golf Course in San Antonio, Texas. Our goal is to have at least 120 players for the event. This is one of the premier’s non-profit golf outings in San Antonio. The reason for this is because our primary goal is to have fun. Plus, it is a great day with friends in our community. Come out and take the opportunity to see our staff while playing a round of golf on the 18th of August 2017.

In addition, please mark the 18th of October on your calendar for the Fisher House Inc. Donor Appreciation Day event. This event is an opportunity for community partners to meet members of our Board of Directors at the Fisher Houses on Lackland Air Force Base. This year, we will have a live band, great food and military families from our Fisher House at the event. Take the time to enjoy a private tour of our incredible Fisher Houses and the new storage facility.

Lastly, the mission at Fisher House Inc. would not be possible without our donors and volunteers. While we have seen a decrease in Combined Federal Campaign (CFC) donations over the years, we continue to make mission requirement. The bottom line is, it takes money and volunteers to do our mission. In 2016, Fisher House Inc. had 1,642 volunteers contributed 4,256 volunteer hours to the mission at Fisher House Inc. If the volunteer hours were calculated to $10 per hours (which is underestimated) it would have cost Fisher House Inc. $42,560 in additional cost. That is money that can be used for other vital needs for our military families. Once again, thank you for the continued generosity with funds and time. The dedicated funds and volunteer time makes our mission of A-Home-Away-From-Home at not cost to military families possible.

Food Bank Donation

Lackland Fisher House received quite a big donation from the San Antonio Food Bank and it is making a large impact. The Fisher House places orders to the Food Bank for all items that our house needs for guests such as coffee, canned goods, holiday trimmings and so much more. We continue to show gratitude to the San Antonio Food Bank for all their help throughout the years. Our partnership has helped so many guests who stay with us. It may just look like a teddy bear, but it will continue to fill our hearts. Thank you San Antonio Food Bank for the smiles!
ON THE GROUNDS...

by Philip Harralson, House Manager

Storage Facility

The Lackland Fisher House staff was ecstatic to complete our construction project of building another storage facility to support our much-needed storage requirements. This facility has been over two years in the making and will greatly enhance the Lackland Fisher Houses ability to support the guest’s needs. This facility will also be capable to support the staffs vigorous grounds program, which is really great for the guests to be able to stay at a Fisher House with remarkable grounds and scenery. A beautiful view genuinely does help morale.

“Memorial Wall” Built in 2008

The Lackland Fisher House was pleased to install three new and repair one greatly appreciated donor plaques on to the Lackland Fisher House gazebo plaque wall. The house staff was ecstatic when Engineered Solutions Inc. donated the materials and manpower to get this work done. This particular wall was created in 2008 for enhancing the grounds well-known gazebo area. The plaque wall is a unique area and gives the guests a special place to imprint a loved one’s legacy and remembrance. The wall also serves as an important location for Fisher House Inc. to recognize and appreciate large contributions from our esteemed donors.
The Troop #769 of San Antonio, Texas has gone above and beyond for the Lackland Fisher House. First, they cooked our guests a mouth-watering pulled pork dinner with award winning baked potatoes and dun-dun-dun freshly cooked cookies. No, they were not their usual cookies you can order, but the guests still ate them up. No complaints here!

The best had yet to come. The Girl Scouts had so much fun here at the Fisher House they came back and this time they had reinforcements; Girl Scout Cookies! We found out that nothing goes better with a home-cooked meal than Samoas and Thin Mints cookies from the sweetest Girl Scouts there has ever been! The guests were extremely thankful for their service to them while they worked on their recovery. The troop #769 are welcome to come back the Lackland Fisher House whenever their little hearts desire.

Kyla Stratton, the owner of Kyla’s Kitchen volunteered her services to put on a cooking show demonstration in Fisher House II. Our guests came from their rooms and watched this amazing lady create two desserts in a matter of minutes.

Kyla’s passion has always been creativity. Whether it was decorating cakes, making gummy bears or making cookie surprises. She always creates things in her hands and in her imagination while working in corporate America.

Currently, she is donating her time to help non profits throughout the week. The Lackland Fisher House staff looks forward to seeing a new treat creation every time Kyla returns.

Recipe for the Blueberry Brazil Cookie

1 package Betty Crocker White Chip Macadamia Nut Cookie Mix
1 egg, preferably room temperature.
1/2 cup butter (one stick) soft, but not melted, microwave 10 seconds at a time to achieve the desired state:

¼ Quick Cook Oats
¼ White Chocolate Chips
¼ Chopped Brazil or Macadamia Nuts
¼ Dried Blue Berries, or Berry of Choice (See directions below to re-hydrate)

Re-hydrated berries: (Place in microwave-safe containers, Add 2 tablespoons water, Add 1 teaspoon of flavoring i.e. blueberry or vanilla, Microwave for 1 minute, Let sit while you prep the rest of the cookie mix, they will soften and plump. You may substitute the water and flavoring for your favorite liquor.

Place all ingredients in a large bowl and mix by hand with spoon or spatula. Make sure you add the fluid from the berries into the mix as well.
Roll in your hands to shape into balls.
Bake on pan covered with cooking spray or parchment paper.

Bake in a 375-degree oven that has been pre-heated. Bake between 8 to 10 minutes, depending on the size of your cookie ball. Edges of cookie should be slightly browned. Let cool on pan for 1-2 minutes, and then cool on cooking rack.
Wilford Hall Auxiliary (WHA) is an organization that unites spouses of Department of Defense personnel. They are dedicated to supporting the men and women of Wilford Hall Ambulatory Surgical Center, San Antonio Military Medical Center, and their families, as well as the San Antonio military community. They came to the Lackland Fisher House with their children, and they filled the guests hearts with many smiles.

At the end of the evening, how do you mesmerize six rambunctious kids? We found the answer, let them watch the last ten minutes of the “Little Dinosaur” a Pixar feature film. Their parents were surprised, and they looked with amazement, that their child stood there as though they were doing the “mannequin challenge”. Everyone laughed so hard, they could not believe their children could stand still in one place for a good ten minutes. One parent now has proof her child can stand in one place for more than a minute.

For Our Volunteer Cooks

VolunteerGifts.com created our apron with our logo. Lackland Fisher House has ordered several items from them over the years, and this order did not disappoint. Our volunteers will be impressed by the quality material also with the adjustable neckline. This apron is a gift to show our recurrent volunteer cooks; we appreciate all that they do and the many times they prepared meals for our guests.
The Lackland Fisher House was honored to Host the Hero’s Rock Patriotic Pony Tour on October 18, 2016. Hero’s Rock is an organization dedicated to soldiers who have paid the ultimate sacrifice, and they honor the soldier by creating beautiful oak rocking horses painted with “Hands of Love” as shown to the left. The real story lies with the guests who came to support Hero’s Rock. The Air Force of Special Squadrons (AFOSI) 11th Field Investigations Squadron came and showed their support for a fallen hero who was one of them. The squadron was so amazed by how beautiful the rocking horses were and how detailed each one was for their honored hero even down to a plaque with their smiling faces. The AFOSI 11th Squadron had the honor to sign the bottom of the Patriotic Pony. The Lackland Fisher House will continue to impact the guests and fellow comrades in the future. Thank you again to the Patriotic Pony Tour that Hero’s Rock put on!

The Lackland Fisher House is ecstatic. As we near the end of project completion of renovating twenty-nine bathrooms, we could not be more pleased. This spring we will have all three houses open and ready to accommodate twenty-six families with new bathrooms. This project took nearly three years and 1.5 million dollars that the United States Air Force funded. We will have three ADA compliant bathrooms to help our handicap guests and new energy-saving toilets. As a Fisher House, our main mission is to help the guests and these changes throughout the years help us do just that.

Lackland Fisher House was honored to welcome the American Legion Post 208 for a tour on January 24, 2017. Post 208 is from the small town of Kerrville in Texas. The eight gentlemen came to learn more about all Fisher Houses and what types of items are most needed. The men would then take this information to Mid Winter Conference in Austin, Texas.

Post 208 is very unique and likes to think outside the box in terms of raising money and helping veterans. They wanted to bring fresh new ideas to the convention as well as bring more information about the Fisher Houses. Post 208 was gracious enough to donate money to continue the Lackland Fisher House mission; helping those families who need Fisher House the most.

**Brittany Strout**

Our new Assistant House Manager, Brittany Strout, came to Fisher House Inc. in August of 2016. She was the recipient of the first ever Military Child of the Year Award in 2009. She has achieved a Bachelor's degree in Psychology from the University of Northern Colorado. Brittany has found a passion early on helping those in need. She has worked with children with Autism since graduating college and now helps our guests who come to stay at the Fisher House.

Brittany was born in Mountain View, California and quickly moved all around the United States with her family as her father was in the Army. In 2007, her father was injured by an improvised explosive device (IED) and was later medically retired. San Antonio became Brittany’s new home, and she has enjoyed living here since.

Lackland Fisher House staff has quickly become a family to Brittany, and she has enjoyed all the guests she has been lucky enough to meet! Brittany has the pleasure of working with all our guests from allocation, check in and check outs. She deals with ensuring that the houses are stocked with household needs. Brittany also assists the House Manager with all necessary projects that arise. Please feel free to contact Brittany if you need anything at (210) 671-6028 or by email at AHM-fisherhouse@sbcglobal.net
Bandera Point Ornament Club

In July, 2016 the Lackland Fisher House staff attended a donation event with the Bandera Point Ornament Club. The event was held at Amy’s Hallmark Shop, where the friendly staff was gracious enough to serve as host. The event had a great turnout and the proceeds were donated to Fisher House Inc. Bandera Point Ornament Club is one of Fisher House’s most dedicated volunteer groups, and the Fisher House staff could give the club members a tour. The group welcomed a long-overdue tour of the Lackland Fisher House Campus.

A gift of Love

Dorothy Granberg is over 90 years old, and she has a heart of gold. She contacted the Lackland Fisher House in June 2016, and she wanted to donate her time and her creativity to provide a Christmas gift for our guests. She worked diligently on creating a “mug rug” for 30 guests. A mug rug is a small coaster size knit rug that you put a coffee mug on. The mug rug was placed with a coffee mug, a pad of paper, an American flag pen, candy canes and two drink packets (hot cocoa and hot cider). Our guests were so happy to receive this gift. Everyone prayed for great health in the coming year for Dorothy.
SAN ANTONIO, TX—The Armed Forces Financial Network (AFFN), along with on-base financial institutions on JBSA-Lackland, presented 80 “Thank You” cards valued at $50 each to the JBSA-Lackland Fisher House to distribute to military families staying in the houses. The gift cards are the organization’s way of saying, “Thank You” for the service and sacrifice made by the men and women in our military.

AFFN, in partnership with the Defense Credit Union Council (DCUC) and the Association of Military Banks of America (AMBA), has proudly supported the Fisher House Foundation and individual Fisher Houses in Germany and the United States for the last 13 years with the community support program. It has provided over $3,000,000.00 in direct support during that period. Every dollar distributed has assisted military service members, veterans and their families for care, comfort, and food while staying at a Fisher House.

Air Force Federal Credit Union representatives made the presentation of the gift cards, which totaled $4,000.00, to Dwayne Hopkins (Fisher House Executive Director) on behalf of the financial institutions on JBSA-Lackland.

“The continued support we receive from financial institutions, its members and the community at large is very humbling,” Dwayne Hopkins said. “We sincerely appreciate the efforts of all institutions on JBSA-Lackland to donate to our organization. It speaks volumes to their true support of the many military personnel and their families who are in need. We cannot thank them enough.”

The “Thank You” cards can be used at any of the 1.3 million locations worldwide accepting AFFN payments, including Defense Commissary Agency (DeCA) and Army and Air Force Exchange Service (AAFES). The cards function the same as Debit or ATM cards, and will be distributed to military personnel by Fisher House management.
